

NeuroTribe UK

Registered Office Address: 61 Bridge Street, Kington, HR5 3DJ

Vacancy: Associate Psychotherapist

NeuroTribe UK are a leading neurodivergent-affirming multicultural therapy practice founded by and for racially and culturally marginalized communities, and the neurodivergent community (including parent-carers of neurodivergent children). We deliver our services online, nationally.

We are looking for a creative integrative psychotherapist to join us as an Associate Therapist.

The ideal candidate will be able to integrate contextual behavioural strategies (such as ACT) with creative practice and/or somatic approaches.

Must be competent in delivering trauma-focussed therapy online, and able to demonstrate a commitment to anti-oppressive, neurodivergent-affirming practice.

Must have lived experience of neurodivergence, or be able to demonstrate extensive professional experience in this area. If you do not consider yourself to be neurodivergent but are the parent-carer of neurodivergent children you are very welcome to apply.

Must be willing to offer therapy services on a sliding scale fee basis and be willing to attend monthly supervision with our in-house supervision team.

We particularly welcome applications from male counsellors with lived experience of ADHD and/or autism as such therapists are under-represented in our profession and within our organization.

Candidates who use computer gaming as a therapeutic tool are very welcome to apply.

In return, as well as pre-assessed client referrals, we offer the following:

- Practitioner autonomy and the ability to determine your own working hours and fees;
- The opportunity to become a part of a small but lovely, passionate and diverse associate team within a creative, well-respected, dynamic and progressive organization founded

and led by women of colour and parent-carers of neurodivergent children & young people;

- Internal monthly supervision free of charge;
- Training & learning opportunities;
- Regular online meet-ups, and;
- Online practice/diary management software.

Associate contracts are offered on a self-employed basis. This is a flexible work-from-home opportunity.

Candidates must be fully qualified and registered with one of the following registering bodies: BADth, BACP, BAAT, UKCP or HCPC.

Candidates will be asked to provide evidence of their qualifications, adequate professional insurance and two professional references at interview.

Only fully qualified, registered candidates working from and resident within the UK need apply.

In the first instance please send a CV and covering letter outlining your relevant qualifications, cpd and experience, and describing what draws you to working with us to: Jan Hall at jan@neurotribe.uk

We regret that we are a small organization and cannot respond to all enquiries. If you do not hear back from us within 14 days of your application, please assume you have been unsuccessful this time.
